# Canoeing & Kayaking Georgia (Canoe And Kayak Series)

## Synopsis

Covering thousands of miles of Georgia's waterways, Canoeing & Kayaking Georgia is the guide to Georgia's whitewater to wilderness swamps &#x97; and everything in between. This updated edition incorporates the exhilarating new urban whitewater course in Columbus, and the recently established water trails that actively welcome recreational paddlers throughout the state. Now expanded to cover more waterways in Southwest Georgia &#x97; Kinchafoonee, Muckalee, and Ichawaynochaway Creeks &#x97; you only need one book to figure out where to float, no matter what type of boat you paddle.

## Book Information

## Customer Reviews

This is the worst publication on this subject I have seen so far. It does not have directions how to get to the landings, GPS coordinates is the only reference and it is not enough and is not helpful. I will have to look for another book.

Just what I was looking for to find good rivers to paddle and put in places. It contains so much information. Very happy with this purchase.

I've checked my paddles out so many times, the pages are beginning to curl. I love it!
