Anne Geddes 2016 Wall Calendar: Under The Sea

Synopsis

Anne Geddes commemorates her twenty-fifth year of creating calendars by filling her 2016 editions with unforgettable and iconic images of adorable babies. Introduced in the popular 2015 calendar, these whimsical images of babies enjoying the wonders found Under the Sea will once again inspire smiles with their colorful scenes and tiny subjects dressed as all manner of sea life.

Customer Reviews

Another Win for Ann Geddes. I have always been a huge fan of her work and having these precious little faces to look at each month puts a smile on my face. This is a great price for the size and content

I love this calendar! The pictures are artful and beautiful. I hang this calendar in my daughters room and use it as a journal to jot down special moments so that years from now, I can flip through the pages and relive the memories.

Absolutely Delightful. Anne Geddes has been doing the greatest and most unique children's pictures for years and we havealways enjoyed them. Now we get a new one every moth.

Every year I buy the Anne Geddes calendar and the 2016 calendar was exactly the same thing as the 2015. Disappointed it was not different :/

I gave this as a gift to my co-worker and it is so cute! I love having it up in our office. Yay babies!

Wish there were more Anne Geddes coffee table type books available rather than just calendars

I love Anne Geddes, she does beautiful work. Can't wait for the 2017 wall calendar.

Cheaper from then in stores. Beautiful pictures & love Anne Geddes!!
