Boho Crochet is a collection of 30 crochet patterns by 10 popular crochet designers (including Etsy shop owners and bloggers) from the Netherlands, the UK, Ireland, and the US. These designers are known for their embrace of bohemian-style projects influenced by 1960s and 1970s crochet as well as their use of vibrant, contemporary colors. The book opens with an introduction from Marinke Slump, who brought the collection together, and bios of each of the 10 contributing designers. Next, there is a Project Selector, which is a graphic table of contents with a thumbnail of each pattern along with the pattern name and designer name. (This is the only place in the book where the designer name is linked to the pattern.) The first section, Crochet for the Home, includes 19 patterns for blankets, pillows, and decorations, including 4 â œone starâ • (beginner) patterns, 11 â œtwo starâ • (intermediate) patterns, 3 â œthree starâ • (accomplished) patterns, and 1 â œfour starâ • (advanced) pattern. The next section, Crochet Fashion, includes 2 â œone starâ • patterns, 8 â œtwo starâ • patterns, and 2 â œthree starâ • patterns for womenâ ™s accessories such as neckwear, a shawl, a hat, fingerless mitts, and bags. Each pattern page includes an introduction, a pattern skill rating, and a supply list that lists the yarn by weight and fiber type, but not brand. About half the patterns indicate gauge is not important. Most patterns include several full color pictures. The final section is Crochet Techniques. Tools and Materials shares some general tips

about yarn, hooks, and notions. Getting Started includes multi-step photo tutorials of basic stitches and techniques.
