# Fenway Guide To Lesbian, Gay, Bisexual, And Transgender Health, 2nd Edition

## Synopsis

This new 2nd edition of The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health, reflects clinical and social changes since the publication of the first edition. Written by leading experts in the field of LGBT health in conjunction with The Fenway Institute at Fenway Health, one of the most trusted and respected community-based research, education, and care centers, this edition continues to present the important issues facing patients and practitioners, including:

- Principles for taking an LGBT-inclusive health history
- Caring for LGBTQ youth, families, and older adults
- Behavioral Health Care: coming out, intimate partner violence, drug, alcohol, and tobacco use
- Understanding health care needs of transgender people
- Development of gender identity in children and adolescents
- Sexual health and HIV prevention
- Policy and legal issues

The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health, 2nd edition is a must-have resource for clinicians, students, and researchers working in hospitals, clinics, universities, libraries, and private practices in every community.

## Customer Reviews

This guide provides great sources, research, studies, and recommendations for LGBT health. The book primarily focuses on physicians making their offices more LGBT friendly and knowing LGBT health disparities. I felt the substance usage, mental health, and other chapter repetitive, but good guide overall.

Succinct, well-indexed and it is very helpful as a reference in doing research and writing my

dissertation.
