# Inventing Arguments, Brief (Inventing Arguments Series)

## Synopsis

Organized around common rhetorical situations that occur all around us, *INVENTING ARGUMENTS* shows you that argument is a living process rather than a form to be modeled. Through the text's prominent focus on invention, you will learn to recognize the rhetorical elements of any argumentative situation and apply the tools of argument effectively in your own writing. The basic layers of argument are introduced in early chapters, with material arranged into increasingly sophisticated topics beginning with the most obvious or explicit layers (claims) and moving to more implied or "hidden" layers (assumptions, values, beliefs, ideology). By the time you finish Part 1, you will have a thorough understanding of argument, which you can then apply not just to the invention projects in Chapters 7-12 but also to your writing for other college courses and beyond.

## Book Information

Series: Inventing Arguments Series

Paperback: 496 pages

Publisher: Cengage Learning; 4 edition (January 6, 2015)

Language: English

ISBN-10: 1305113314

ISBN-13: 978-1305113312

Product Dimensions: 6.5 x 0.7 x 8.3 inches

Shipping Weight: 1 pounds (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #48,584 in Books (See Top 100 in Books) #21 in [Books > Textbooks > Humanities > Philosophy > Logic](#) #46 in [Books > Politics & Social Sciences > Philosophy > Logic & Language](#) #65 in [Books > Reference > Words, Language & Grammar > Public Speaking](#)

## Customer Reviews

It did meet expectations, and was not damaged, though with the abundance of coverage with the used book tape i wasn't sure it was the correct one, but i compared it to a new book afterwards

Good condition, great price.
