# Doga: Yoga For You And Your Dog

## Synopsis

Welcome to the world of Doga, where your best friend can help you get more from your yoga sessions. Involving your dog in yoga sessions can help you develop your yoga practice, as well as being an entertaining and fun way to bond with your pet. Doga provides a mindful connection with your dog as you mimic your pet's breathing patterns and have to stay controlled throughout the pose to ensure your pet's comfort. As an activity it de-stresses your dog and creates a wonderful sharing and nurturing experience. Classic yoga postures such as the Warrior Lunge and the Downward-Facing Dog are adapted so that your pet can participate. Full-color photographs alongside practical step-by-step guides show clearly how to do each of the poses in this fun and unique take on yoga. Mahny Djahanguiri is a certified yoga teacher. Since 1999 she's been teaching and leading international Ashtanga Vinyasa and kids' yoga workshops in London and Switzerland. Over the last three years Mahny has developed and taught Doga to enthusiastic classes in the UK and to her clients, who include TV celebrities and famous musicians.

## Customer Reviews

The author presents traditional asanas with a dog-centric twist, including creative names for poses. The beautiful photographs and adorable pups pictured in this book bring a smile to my face every time. I like that the author applied the yamas and niyamas to interactions with pets and included extra sections such as doggie massage. I'll be buying more copies for Christmas gifts this year.

Excellent!!!
