Complete and Relevant

The early chapters introduce the nutrients and their work in the body, and the later chapters apply that information to people's lives. Highlights Every chapter is followed by a highlight that provides readers with an in-depth look at a current, and often controversial, topic that relates to its companion chapter. Diet Tracking & Nutrition Portfolio sections in each chapter invite you to evaluate your own dietary choices and set healthy goals through activities in the Diet and Wellness

Plus digital app, for a truly personal perspective on nutrition. &#039;How To&#039; Tasks These in-text sections help you develop practical skills, such as calculating energy intake from carbohydrate, fat, and protein. A &#039;Try It&#039; activity follows each section for plenty of practice.
