I purchased this book as a gift for my husband. He LOVES it! It's a classic children's book that the entire family will enjoy. There are MANY versions/translations available, but I opted for this unabridged version which is best suited for older children and adults. The book has a large, hardcover, thick pages, and nice artwork. It's very well put together. If you're unable to read the original work in French, this is a good alternative. Recommended.

This a beautiful edition of one of my all time favorite story! The images from the new movie, together with the original drawing by Saint-Exupery, makes this a good addition to my collection of the Little Prince editions.

Interesting artwork but terrible translation. I prefer the original artwork and the Katherine Woods translation. Don't buy this if that's what you are expecting.

This is an amazing book! I had just finished seeing the amazing movie and had to have it. I have no children to read it to, but I am sure I will enjoy it anyway. The pictures, as you can see from the cover, are just like the movie characters. It is in small print and has the whole movie scenario to read, so if you are reading it to a child you will probably be spending a few nights to finish. It is perfect for a child to read.

You need this book. It's amazing. Honestly was expecting a more children's book version rather than the entire kids book (clearly didn't read the description) but it worked out for us. Beautiful pictures.

GREAT BOOK & GREAT BOOK COMPANYEVERYONE SHOULD HAVE A COPY OF THIS BOOK***YOU CAN LEARN ABOUT WHAT MAKES A TRUE RELATIONSHIP LAST & THE SACRIFICES YOU MUST MAKE TO HELP OTHERS GROW & SURVIVE WHILE LEARNING MORE ABOUT YOURSELF AS WELL***MAGNIFICENT ILLUSTRATIONS*****PACKED & SHIPPED SAFE & SOUD **

Great family edition to read aloud. Lots of illustrations to keep the younger kids interested.

It's all you want a book to be. Thoughtful and thought provoking.
