# How To Get A Job As A Claims Adjuster (Adjuster Manuals Book 1)

## **Synopsis**

Many college graduates are struggling to find a job within their field and are in need of a viable career. Lots of employed people are unhappy with their current career path. If either of these scenarios describes you, have you considered starting a career in the insurance industry? When you are looking for a new career, there is more at stake than just your routine job. You must consider other things as well:- Long-term job security- Health insurance - Retirement plans- Opportunities for advancementFor some, the element of adventure is also important. Let's face it "nobody likes a boring job! Do you have questions about starting a career as a claims adjuster? Do you want to know if this career is the right fit for you? What and where you should study? What the opportunities for employment and promotion are? How to market yourself when companies want to hire only experienced people? This book answers all these questions and provides you with the information you need about the insurance industry. Information to help you decide if it is right for you. You will learn how to get the education and experience you need to land that first job. You will even discover what starting your own independent claims-adjusting business entails. Claims adjusters are always in demand, and you may be able to step in to an insurance career that you had never considered before. Timothy Fitzpatrick is an insurance claims professional who has worked in a career spanning 20 years. He has occupied positions as:- Licensed Independent Adjuster- Staff Adjuster- Investigator- Claims Supervisor- Claims Manager- Vice President of Claims
