Customer Reviews

Worked well on our 2015 summer tour of Israel with a rental car for two weeks. Bring your smart phone (with appropriate international upgrades), download the app WAZE (developed in Israel), bring this map and you will get where you want to go. Thanks for a good product!

Excellent travel map, however, the key is lacking some possibly important info.

Excellent product shipped safely on time.

Clear and simple! Very useful.

Very detailed and helpful!

Great detailed map
