## **Synopsis**

Do you Believe that REAL ESTATE Can make Passive Income for you?Most real estate investors would prefer their trade secrets hidden, monopolizing the wealth of opportunities that real estate offers to anyone interested. I find this counter-intuitive, if not downright unhelpful to the economy. The truth is anybody is entitled to enter the real estate market. Anybody can be a real estate investor, regardless of your educational background or economic status. You can start with a decent amount of savings in your bank account. Or you can start with barely anything at all. The beauty of the real estate market is that it is open to anybody â€“ that is, anybody who has the courage and determination to play out the field. In this book, I have endeavored to emphasize such a point and thus have compiled proven strategies on how to succeed in the real estate market and make it an impressive source of passive income. I have included here the basics of real estate marketing and how you can maximize its return with the minimum input of your time and direct management. You will get the answer of following question : 1.Why Should I invest in Real Estate ? 2.How do you earn from Real Estate : The wonders of Passive Income3.The Best-Kept Secrets on Real Estate Investment 4.Marketing Strategies : How do you get Tenants ?
