Strategies For Reading Assessment And Instruction In An Era Of Common Core Standards: Helping Every Child Succeed, Pearson EText With Loose-Leaf Version - Access Card Package (5th Edition)

Synopsis

This title is only available as a loose-leaf version with Pearson eText. A quick, effective, point-of-teaching resource that gives future and practicing teachers access to the best teaching strategies for today's classrooms. This best seller is a much-used primary text in reading/literacy assessment and instruction courses, a popular reference compendium for practicing educators and pre-service teachers, and a success-proven resource for ongoing professional development. Readers can quickly turn to current information on evidence-based assessment and instruction strategies and determine the best teaching strategies using the authors' popular "IF-THEN" approach and charts. Featured in this new edition are clear explanations of the Common Core State Standards for English Language Arts for every grade level, with links to evidence-based assessment and teaching practices.

Customer Reviews

This is a good textbook for learning about teaching reading to students. I like the resources and ideas that are available through this book. It is however a textbook and reads like one.

Great information for beginner teacher as well as teachers needing refreshers. The print is very small and light for me.

Great! Speedy Delivery!
