A beautiful book. I was given the book for my birthday and have purchased three other books for gifts. My granddaughter is going to college in the fall. Her younger sister is going to miss her so much. I gave a book to each girl so they can share the quotes when they skype with each other. They were so happy to receive them.

A beautifully photographed book of daily quotes....well chosen by my opinion. The top front cover of the book had a small tear...about 1/4 inch. Not worth returning, but it's a flaw for a gift book.

Lovely book. Fantastic photography and thought-provoking quotes.

Very nice book and peaceful too...snaps are calming

The three books I have are tremendously engaging.
