# Research Methods: The Essential Knowledge Base

## Synopsis

From an expert team in the research methods field, RESEARCH METHODS: THE ESSENTIAL KNOWLEDGE BASE, 2nd Edition, is written specifically for users who are new to research methods. The book streamlines and clarifies explanations of fundamental, yet difficult, concepts in a familiar, engaging style. Readers learn about the relationship between theory and practice, which helps them become better researchers and better consumers of research.

## Customer Reviews

This is an excellent introductory research methods book - great for an 8 to 10 week course. Also, very elegantly presented and well-explained all for a reasonable price!

Better than expected and proved quite informative.

The book waa in great shape
