Official GRE Value Combo

Synopsis

Save money and get intensive official GRE® test practice with this 2-book bundle from the test maker at ETS! About the Books In this Official GRE® Value Combo you get the in-depth practice you need to do your best on the GRE testâ•direct from the test maker! For less than you would pay separately, the bundle packages two books of real GRE questions, specially created for GRE takers by Educational Testing Service. This two-book bundle is your ideal source for practice questions to use in your GRE preparation. With Official GRE® Verbal Reasoning Practice Questions and Official GRE® Quantitative Reasoning Practice Questions you get real GRE test questions, arranged by type and difficulty level for the verbal reasoning questions and arranged by content and type for the quantitative reasoning questions. Plus you get mixed practice sets for both. Only ETS can show you exactly what to expect on the test. So for intensive GRE practice with real GRE questions at a money-saving price, this bundle is your best choice! Features The Official GRE®if'Value Combo offers: significant savings over purchasing each book separately 300 real GRE test questions arranged by question type and difficulty level â•to help you build your test-taking skills An overview of the GRE Analytical Writing measure with writing strategies, sample writing tasks, and sample scored essays Answers and explanations for every question ETSâ™s own test-taking strategies: valuable hints and tips that can help you do your best on the test Educational Testing Service (ETS) (Princeton, NJ) is a private, nonprofit organization devoted to educational measurement and research, primarily through testing. Founded as a nonprofit in 1947, ETS develops, administers, and scores more than 50 million tests annuallyâ•including the TOEFL® and TOEIC® tests, the GRE® tests, and The Praxis Series®, assessmentsâ•in more than 180 countries, at more than 9,000 locations worldwide.

Paperback

Publisher: McGraw-Hill Education; 1 edition (February 11, 2015)

Language: English

ISBN-10: 0071847022

ISBN-13: 978-0071847025

Product Dimensions: 8.5 x 1.2 x 10.9 inches

Shipping Weight: 2.8 pounds (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 starsÂ• See all reviewsÂ• (18 customer reviews)

Best Sellers Rank: #4,209 in Books (See Top 100 in Books) #8 inÂ• Books > Education & Teaching

> Higher & Continuing Education > Test Preparation > Graduate School > GRE #95 in Books > Textbooks > Test Prep & Study Guides #160 in Books > Education & Teaching > Test Preparation

Customer Reviews

I'm a Harvard graduate, 99% GRE scorer, and professional GRE tutor (16 years experience), and I'm fairly obsessed with this test. In fact, I still take the GRE at least once a year (last exam: 169V / 166Q / 6AWA). As many others have already indicated, you need these books because they are the real deal. After many years of receiving scant practice material from ETS, I am relieved to say that ETS has now provided enough official materials for a nearly full preparation for the GRE. I say "nearly" full because 2 CATs (computer adaptive tests) is not enough. The physical books are a nice asset, as are the paper-based practice tests, but for a computer adaptive test, you have to spend lots of time preparing on a computer. For this purpose I prefer to buy a book from the Manhattan Prep GRE series, in order to gain access to its 6 online CATs. Yes, the answer explanations in these books can sometimes be severely lacking, or in the case of the PowerPrep tests, nonexistent, which is part of why hiring a professional tutor can be helpful. However, for the disciplined and resourceful self-studier, the Official Guide to the GRE, these 2 supplemental guides, the 2 (invaluable!) PowerPrep II CATs, a good vocab guide or two (ahem), a strategy guide (avoid Kaplan) and some third-party CATs should do the trick. Don't forget to purchase the Official Guide, which has two additional paper practice tests, as well as more practice questions and a test overview. To save money, you can buy the Official GRE Super Power Pack, of which I've also written a very detailed customer review:
