## Customer Reviews

This book has fine new photos of the Spanish Riding School in Vienna. I had hoped for more historical images. I think they made a mistake for anyone who wants to read the text - they have printed it in a reddish brown ink, in wide columns. It makes for a handsome book layout, but not easy to read. For horse lovers the photos are beautiful and printed on very fine, heavy paper.

Stunning photos. I have been priveleged to visit this wonderful institution and Piber - this beautiful book brings every memory to life. If you are dreaming of going this will be further motivation!
