## **Customer Reviews**

The first one had better shots, in my opinion. Even if the models were facing front, the "coverage" seemed natural. For this year's calendar, when they were facing front, their covering their genitals looked very unnatural and scripted.

The calendar came in ahead of schedule so that made me really happy. It also is exactly how I pictured it to be plus some. Definitely will buy one of these again in future years.

Arrived yesterday. This is a Christmas gift. The calendar arrived in perfect condition and is a wonderful piece of art. I am positive this gift will be well received.

It's always great to support a good cause. I'm happy to see that this group year after year produces not only a great calendar but also donates all the proceeds.

Beautiful and tastefully done calendar, and supports a great cause! Kudos to these young men for taking a stand!

Great calendar, however received several emails that it had shipped when it hadn't.
