Writing Patient/Client Notes: Ensuring Accuracy In Documentation

Synopsis

Master the hows and whys of documentation! Develop all of the skills you need to write clear, concise, and defensible patient/client care notes using a variety of tools, including SOAP notes. This is the ideal resource for any health care professional needing to learn or improve their skillsâ "with simple, straight forward explanations of the hows and whys of documentation. It also keeps pace with the changes in Physical Therapy practice today, emphasizing the Patient/Client Management and WHOâ "s ICF model. Section by section youâ "ll learn how to document clearly and accurately, while exercise by exercise youâ "ll practice mastering every step.
