# English Grammar Basics: The Ultimate Crash Course With Over 50 Exercises, Quizzes, Discussion Questions, And Easy To Understand Grammar Rules

Synopsis

Do you have an English or ESL grammar test coming up? Are you constantly asking others to check your writing for grammar errors? Do you currently or are you planning to teach ESL grammar? This book can be helpful for: â ¢ ESL learners â ¢ English speakers whose writing contains grammar errors â ¢ Anyone planning to teach ESL who wants a brief overview of English grammar concepts Perhaps youâ ™ve never learned the basics of English grammar. Whether you have an upcoming test, need to review the basics, or are just tired of making the same grammar mistakes, this grammar reference and workbook can help you review basic grammar concepts quickly. Whether English is your second language, or you just need a refresher on whatâ ™s grammatically acceptable, and whatâ ™s not, this book provides simple, easy to understand ESL grammar rules along with tons of English grammar exercises to practice what youâ ™ve learned. Perhaps youâ ™ve forgotten the parts of speech and need to know exactly how nouns, verbs, adjectives and subjects function in a sentence. Perhaps youâ ™re having trouble with the English tenses. Among other topics, this book covers the most commonly used English tenses: Past Simple, Future Simple, Present Simple and Present Continuous, how to correctly use the articles (a, an, the), and how to correctly use the apostrophe s (â ˆs). Each chapter provides extremely easy to understand grammar rules, examples and then follow-up English grammar exercises to practice each rule. In the second part of each chapter, there are additional English grammar exercises, dialogues, conversation questions, and even a quiz at the end of each chapter to check your progress. You can easily check your answers for all English grammar exercises and tests since the answers are provided in the book as well. The format of the book is meant to help students review what they already know quickly, and spend more time on the grammar topics that are not well understood.

I'm using this book to teach a free English grammar class to for native speakers in Taiwan. For that, it's good because it's clear and inexpensive. But there are some errors and places where the author introduces contradictions so it needs a teacher to keep the students on track.

Excellent and affordable reference that we recommend to everyone in our ESL classes here at my non-profit. There are many grammar books to chose from but we have found this to be very useful thus far.

As a college student that struggles with the whole grammar stuff, finding this book is such a blessing! This is absolutely awesome! So much information packed into this book and it's soooooo affordable! Thank you so much!

I absolutely loved this book! Miss Carothers broke down English Grammar rules in a simple and easy to understand manner for anyone who is learning English. Her practice exercises really helped me retain the information. I highly recommend this book as an easy "crash guide" to any ESL learner!

A great grammar refresher. The rules are spelled out so simply, and the answer key makes it perfect for self-study.

All the grammar rules for less than $5?! One of the few truly affordable resources for students!

It is a good book for kids learning elementary English, especially non English background kids? Hope more people enjoy it.

I found this book to be a very good tool in improving my grammar. Thanks for writing.
