The Wedding Planner And Organizer: Bears Wedding Planner Book Worksheets, Checklists, Calendars, And Money Saving Tips

Synopsis

The Wedding Planner and Organizer is a book of Checklists, worksheets, Calendars, and money saving tips. Planning a wedding is not easy. A typical plan starts with checking out vendors online and storing their information on pieces of papers. Creating a guest list, party entourage list, timeline of things that need to be done and when; and other things like food, cake, venue, music, gown, tux, flowersâ | and on and on. Then hurrying off to staples; buying a folder and creating a haphazard behemoth of confusion. Planning a wedding is not easy, but, it shouldnâ ™t be stress provoking. With that in mind, we created this beautiful wedding planner book that covers all the basis and you donâ ™t need to waste time and money putting one together yourself. Itâ ™s all done for you, just fill in pertinent information. â œA man that finds a wife finds a good thing.â • Proverb 18:22. Making use of this wedding planner book is a good thing and the stress relief it brings is priceless. Donâ ™t hesitate, pick up a copy today for yourself or that bride to be, and put a smile on their face. Makes a great gift for the newly engaged.
