Customer Reviews

Be aware that this is written for adult sons, despite the design and illustration style.

This book is so cute and a great gift idea for a co-worker or employer. I gave it to my boss, along with the pen/notebook set by Suzy Toronto. The book is kinda pricey for the amount of pages, but it made such a nice compliment to the notepad that I just had to get it too. Very upbeat and a great way to let someone know how much you care.

Fabulous book. Bought it for my adult son.

Many of the verses were so perfect for my grown son. Wish it were not so juvenile in presentation. Gets a bit redundant. Good stocking stuffer type gift.

I absolutely LOVE this :-)

Thought this book was adorable, I bought the My daughter, I love you.... book too. I decided to not give it for Christmas but to write a few notes in it and give it to them for Valentine's day :-)

I gave it to my Son for Christmas; he absolutely loves this book. Says that he will cherish it forever.

This book is so important to me..... Sometimes just a cute little book says it all. Thank you so much!
