[Summary & Analysis] To Kill A Mockingbird: (Harperperennial Modern Classics) By Harper Lee

Synopsis

Enjoy a Deeper Experience With Our Summary & Analysis! Harper Leeâ™s classic To Kill a Mockingbird is read by millions of school children each yearâ"but that does not mean that it has nothing to say to older readers. Far from it: presenting a gripping story of prejudice and non-understanding at work in 1930â™s Alabama, it remains a rich text for readers of all ages, speaking to peculiarly American iterations of universal human failings. The novel narrates a span in the life of Scout Finch during which she, her family and friends and the larger community in which they exist. The children try to untangle the mystery of Boo Radley; the adults attempt to negotiate the miscarriage of justice perpetrated on Tom Robinson by a court system that relies upon the people who compose its juries being unbiased. This companion of To Kill a Mockingbird also includes the following: â¢ Book Review â¢ Story Setting Analysis â¢ Story elements you may have missed as we decipher the novel â¢ Details of Characters & Key Character Analysis â¢ Summary of the text, with some analytical comments interspersed â¢ Thought Provoking /or Discussion Questions for Readers & Book Clubsâ¢ Discussion & Analysis of Themes, Symbolsâ | â¢ And Much More! This Analysis fills the gap, making you understand more while enhancing your reading experience.
