A Very Industrious People: Production & Operations Management From A Latter-day Saint Perspective

Synopsis

A Very Industrious People explains many principles of production and operations management according to revealed eternal truths. The intent of this approach is to make this very important subject more approachable to and appreciated by readers and students so that weâ "Godâ ™s sons and daughtersâ "may ultimately experience the joy of being skillful creators and producers in this life and beyond.

Customer Reviews

It was exactly the book I needed and was required by class.. the book itself could use some work and editing but it was the exact thing i ordered.
