The Heart In The Glass Jar: Love Letters, Bodies, And The Law In Mexico (The Mexican Experience)

Synopsis

The Heart in the Glass Jar begins with one manâ™s literal heart (that of a prominent statesman in mid-nineteenth-century Mexico) but is truly about the hearts, bodies, legal entanglements, and lettersâ"as both symbols and material objectsâ"of northern Mexicans from the 1860s through the 1930s. Å William E. Frenchâ™s innovative study of courtship practice and family formation examines love letters of everyday folk within the framework of literacy studies and explores how love letters functioned culturally and legally. French begins by situating love letters in the context of the legal system, which protected the moral order of families and communities and also perpetuated the gender orderâ"the foundation of power structures in Mexican society. He then examines reading and writing practices in the communities that the letters came from: mining camps, villages, small towns, and the âœpassionate public sphereâ• that served as the wider social context for the love letters and crimes of passion. Finally, French considers âœsentimental anatomy,â• the eyes, hearts, souls, and wills of novios (men and women in courting relationships), that the letters gave voice to and helped bring into being. Å In the tradition of Carlo Ginzburgâ™s *The Cheese and the Worms* and Natalie Zemon Davisâ™s *The Return of Martin Guerre*, French connects intimate lives to the broader cultural moment, providing a rich and complex cultural history from the intersection of love and law.

Book Information

Series: The Mexican Experience

Hardcover: 316 pages

Publisher: University of Nebraska Press (July 1, 2015)

Language: English

ISBN-10: 0803266782

ISBN-13: 978-0803266780

Product Dimensions: 6 x 0.9 x 9 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)
