# True Ghost Stories: Frightening Accounts Of Haunted Houses, Paranormal Mysteries, And Unexplained Phenomenon

## Synopsis

True Ghost Stories is a collection of real and frightening paranormal accounts from real people. Each story is unique in its own personal experience and has been told to the author, Selinda Hart. Having worked as an investigator and as a researcher for the paranormal radio show "Tia Maria" she has brought together some of the best hauntings, accounts of paranormal mysteries, and true ghost stories in this collection. The sixteen stories in this book include diverse paranormal phenomenon and unexplained mysteries set in different locations in the United States, and one compelling frightening story from Spain. As one former skeptic reports from his scary experience, "I was never a believer in the paranormal and I thought ghosts were simply a figment of someone's overactive imagination. I no longer scoff at people who claim to see ghosts. I never found out who or what was haunting that house. But I wasn't going to stay and find out." "The House off Greenville," "Red Balloon," "Ghost in the Bedroom," and "Who's been playing with my kids?" are real stories about events and paranormal activity that took place in the Dallas house where the author lived in as a single mom for over five years. Her children are grown now, but to this day they do not like talking about the strange activity and events that took place in that house. If you like reading scary stories, paranormal mysteries, and unexplained phenomenon, then "True Ghost Stories" will leave you with chills. So snuggle up, get under the covers and get ready for some serious goosebumps!

## Book Information

## Customer Reviews

Ms. Hart writes in a well descriptive narrative style that's easy to follow and enjoyable. If you enjoy reading ghost stories then this collection will certainly entertain you. Many times I found myself unnerved and scared enough to turn lights, on and or put the book down just to collect my thoughts. You won't be disappointed.

Selinda Hart has managed to capture and convey a series of paranormal events in a fascinating style that will place the reader in a state of feeling fully immersed as an actual witness. Her fluid narrative covers an interesting range of supernatural phenomena which includes her own personal experiences.

FANTASTIC BOOK!!! I really enjoyed it and was moved by the GREAT stories and fabulous writing of the author! This is a "stunning" collection of REAL Ghost Stories... I can't wait to get the upcoming new "True Ghost Stories" from my new favorite ghost writer SELINDA HART!... Keep up the good work. Thank you!

Great read, especially on a dark, stormy night. The "Red Balloon" gave me goose bumps, I would have immediately packed my bags and moved out.

Absolutely great for all your true ghost story ghost adventures to follow. I love this and it's worth every penny spent on what happens on the other side that can supply us the living open suggestions that will keep us looking for answers. Get this book it's will take you into the darkness of the afterlife

This was a great book and I will continue to read Selinda Hart's books! She has other books that I have not read! If they are as good as this one I will be thrilled with them! I love ghost stories and she writes a good book on ghosts. I wasn't disappointed!!!

Great read, well priced, pretty scary. Just what I was looking for. I do have a criticism though, and the only reason I won't take 1 star out because of it is that nobody reads 4 star reviews. The first two stories were a snooze fest. Not really the best foot to put forward, Selinda. I would have put them in the middle or remove them altogether.

True Ghost Stories was an awesome read! I can't wait to take my family on camping trips and

reading it by a cozy fire! The stories are so creepy, I love them! GREAT READ!
