Diary Wimpy delivers an epic story once again. Claude (main character) is trying to cope with being portrayed in a way that he doesn't like or feels is accurate. Great lesson to be learned here as the usual in Diary Wimpy's books. The creativeness of the plot of this story is really something to behold. This story has the makings of a classic. I highly recommend this book and all of the series of books from this author.

Ok so as I was reading this I felt like I was listening to Olaf talk about Frozen. This is a book about a

snow golem that lives in the forest after leaving his creator Elliott. Then one day he encounters a Minecraftian who starts singing songs about a movie called "Very Very Cold" (Resembling Frozen). I'm not going to spoil the rest of the book because after all this is just a review but read this to get the full story. Best book ever. f

Like, best book ever. It was a bit too long, but hey, who cares if it's a good book!

• good job! This definitely deserved a 5 star rating! (In my opinion)
