## **Customer Reviews**

This book features some peculiar questions and tests slang expressions that are not generally known by native speakers. Additionally, the entire book is full of orthographical, grammatical and punctuation errors -- in both English and German!

Yes. It is true that this is a german book. But there are a bunch of weird questions. Let me give you an example. Der Kriegsroman "Wo warst du Adam?" ist von A. Erich Maria Remarque B. Alfred Doeblin C. Heinrich Boell D. Hermann Broch I don't think that they will give such a weird question in real SAT

No remarks!
