DIY WOOD PALLET PROJECTS

33 AMAZINGLY CREATIVE UPCYCLING
PROJECTS & IDEAS FOR DECORATING,
REFRESHING AND PERSONALIZING
YOUR SPACE!

BRANDON DAVIS

Synopsis

DIY Wood Pallet Projects 33 Amazingly Creative Upcycling Projects & Ideas for Decorating, Refreshing and Personalizing Your Space! Do It Yourself (DIY) Wood Pallet Projects is the quintessential manual on tips and ideas for use of pallets that would otherwise be tossed aside and filling a landfill somewhere. Upcycling is where the item is used for another purpose than it was intended and the aggregate result is a greater value than the original item itself. Upcycling pallets can be utilitarian as well as enjoyable; particularly when friends, family or colleagues see what youâ€™ve created. DIY Wood Pallet Projects will provide you with 33 tips and ideas to upcycle wood pallets and these same ideas will most likely spark your creative self to come up with even more ideas for those discarded wooden pallets. This eBook is written in an easy-to-follow format with instructions, insights, and motivators for using pallets as opposed to new materials for your DIY project. Wood pallet projects can be a whole family affair rather than just something Mom or Dad does in the garage. DIY crafts and projects can produce useful additions to the home as well as decorative highlights. Customer Reviews

It was nice reading it. I have kind of re-used several disposable things and turned them into a beautiful decoration piece. For example an empty mineral water bottle. Although it doesn't include the final result photos, but trust your guts when you try it.
