Global Business Today

Synopsis

Global Business Today is the proven choice for any international business course. It brings together the insights of now a team of practitioners, scholars, and award-winning instructors to present a contemporary and realistic perspective of this multi-faceted field. For the 9th edition, G. Tomas M. Hult from Michigan State University has joined Charles Hill to deliver a program that is: Currentâ •it is comprehensive and up-to-date. Application Richâ •it goes beyond an uncritical presentation and shallow explanation of the body of knowledge. Relevantâ •it focuses on managerial implications. Integratedâ •its tight flow between chapters is fully integrated with proven adaptive technology. Global Business Todayâ •The market-leading program of international business.

Customer Reviews

Provides great study, historical references & recent (in a matter of years for reference) trends as why some business issues & deals have come about as they have; not just in the US but globally. More than most realize, business of today stretches FAR beyond our everyday thinking. If you desire to learn more on the supply & demand chains of business and the direct affects nationally & globally, this book will help with that understanding.

This is one of the most incomplete and one-sided textbooks I've ever used. Takes very two-sided issues and shows one side of an issue in a way that's misleading for purpose of actually learning about the issue. I wouldn't recommend this textbook to anyone, using this as a first reference will

mostly lead to a very skewed in one direction perspective on the issue. Simplifying issues for an intro is fine, but this book is directly one-sided and misleading.

The product meet my expectations.

Product arrived ahead of schedule and fully met my expectations.

Very helpful

it's a book for class, what can I say.

Boring

Shipped quickly and is exactly what I expected and needed for my course. Very easy to use and has a lot of interactive parts in the book.
