# Turtles Of Texas: A Guide To Common And Notable Species

## Synopsis

This fact-filled identification guide is an excellent resource for all outdoor and nature enthusiasts. It describes all 32 species of turtles found in Texas. The guide also features color photos that make it ideal for field use. Common and scientific names, state maximum length, habitat, diet, and behavior are described. Tips on field identification are also presented. The 12 panels of this laminated and waterproof guide fold up into a handy pocket-size, making it sturdy enough to withstand repeated use in the field.
