Elsevier Adaptive Quizzing For Dental Hygiene (Retail Access Card), 1e

Synopsis

With thousands of questions, Elsevier Adaptive Quizzing for Dental Hygiene is the fun and engaging way to prepare for course exams, HESI exams, and ultimately the certification exam. Elsevier Adaptive Quizzing for Dental Hygiene allows you to advance at your own pace • based on your performance • through multiple mastery levels for each chapter, concept, or topic. A comprehensive dashboard lets you view your progress and stay motivated. UNIQUE! Elsevier's™ trusted, market-leading content serves as the foundation for all questions, which are written, reviewed, and leveled by experienced nursing educators, item writers, and authors. UNIQUE! Unfolding questions become progressively more complex as you advance to higher levels, incorporating concepts such as delegation, multi-system disease, or complicating conditions to help strengthen your critical thinking and clinical reasoning skills. UNIQUE! Essential test-taking tips and strategies help you learn how to successfully dissect and tackle different question types and improve test-taking skills for both course exams and the licensure examination. Confidence level indicators allow you to indicate your confidence when submitting answers, providing valuable insight into areas where you might require further study. UNIQUE! Practice in Study Mode, which provides immediate feedback, or in Exam Mode where the quiz is timed and results are summarized at the end.
