This book is a must have if you are looking to make cute Parent and Baby Animal Sets. I am always looking for new patterns of cutie amigurumi creature, I fell in love with the T-Rex set and am pleased with the wide range of animals. Each pattern was easy to follow and quick to work up. There are many colorful pictures to each pattern. There is a section that explains basic stitches for those that may need help. The book is well made with a thick cover, strong binding yet easy to flip through. As always very pleased with my Amigurumi Pattern Book, I look forward to the next one!

I bought this for the penguins on the cover. I have a friend who will love them. Most likely, I'll end up

making all the animals. Very original!

Beautiful patterns. 5 Stars!

Truly uninspiring designs. The penguin is cute, and the sloth is original, but they are poorly executed. I'm unimpressed. I really wanted to like these, and the idea is good. My kids LOVE when I crochet them little animals. But I feel like I can look at her ideas and design something better, and I'm not an expert by any means.

Love this book! Easy to follow directions.
