## Customer Reviews

I am impressed by the quality of this kit with the exception of the crochet hook which is average. The kit includes enough yarn to finish one each of two Frozen characters â “ adult Queen Elsa and Princess Anna. After that, you will need to purchase additional yarn, fiberfill, safety eyes, and other assorted items to finish more of the characters. The kit does call for light worsted weight or DK acrylic yarn but does not tell what type of yarn was used. While it does not state it exactly, I would hazard a guess that that is what is included. The exception is Marshmallow, who is made of a bulky acrylic yarn. The safety eyes included in this kit are much better suited for amigurumi figures than the ones I have from other kits by this company. It probably depends on what the designer calls for but the 5mm eyes fit better than the larger 12mm I have received in those other kits (but not used) previously. All of the human figures call for 5mm, the animals call for 6mm and Marshmallow's eyes are embroidered on. If you are making these for a young child, you could consider doing the embroidered eyes on all of your figures. The book includes instructions for 12 figures, including: Queen Elsa, Princess Anna, Kristoff, Prince Hans, Oaken, Young Elsa, Young Anna, Young Kristoff,

Sven, Grand Pabbie, Olaf, and Marshmallow. There are eight colors of yarn included in the kit. They are: light blue, turquoise, royal blue, magenta, pale peach, ivory, orange and black. Also included is a tapestry needle for seaming the figures and adding details with the included cotton embroidery floss (black, yellow, magenta, and green), light blue tulle, an inexpensive crochet hook in size 3.25 (US D/3), four 5 mm plastic safety eyes and fiberfill.
