## Customer Reviews

Most of this was to rough for my taste. I'm not really into pain or degradation (being called whore etc). There was so much of it in the first 6 or 7 stories I read, that I really couldn't filter it out. The Table of Contents was nice, it's listed basically by fantasy. Nice touch!

I enjoyed most all of these stories very much.. I thought the clickable table of contents was excellent! Only trouble with fantasy is, it definitely needs a hands free version!! I mean, it is erotica after all!
