## Customer Reviews

(This review is a synopsis of the 3 book series, but doesn't contain major spoilers.) First of all, how beautiful are these covers? Honestly, they are breathtaking. In Illa's caste system, America Singer is a 5. That means that she, and her family, must find a career in the arts (regardless of the demand for their craft). America is lucky enough to have a beautiful singing voice and she loves to play instruments, so she doesn't seem to mind too much. Illa is a newly formed country set in the future consisting of North America and Latin America. The country is ruled by King Clarkson and Queen Amberly. They have a single heir, Maxon, and he has finally come of age. Unlike princesses, who are married off into other royal families, princes get to participate in the

â œSelection.â • (Think The Bachelor, but with citizens of IIIÃ©a.) America doesnâ ™t want to sign up because she has a secret love â ” Aspen. But the Selection will pay her poor family for participating, and Aspen insists that she try to have a chance at a better life. Marrying Aspen would downgrade her to a 6, only two steps away from homelessness and poverty. On the other hand, marrying Prince Maxon would make her a One, the highest caste in IIIÃ©a. When America is chosen to participate out of thousands of eligible young women, her family is ecstatic â ” the complete opposite of her feelings. America enters the glamorous, regal life of the royal family, and must compete with 34 other daughters of IIIÃ©a for the heart of Prince Maxon. At first, she isnâ ™t interested. Why would she want some stuck-up prince when she has someone waiting for her at home?

This is one of the best book series I have read. If I could give it more than five stars I would. I would definitely recommend it!
