## Customer Reviews

It was a Christmas gift. My son absolutely loves trains and colorful calendars. This calendar really put a smile on his face. He looks through it each day.

I look forward to the new calendars each, many remind me of the nostalgia of trains of my youth, a time when life wasn't that hurried.

Was bigger than I thought, which is great for writing things in. Beautiful detailed pictures. Came very fast.

The cover and title make it look like all steam engines, but half are diesels.

Bought this for the train lover in the family - great pictures on each month!

great calendar for husband which he loves trains

it has the old trains to the more modern ones
