Ivy Global's New SAT 4 Practice Tests (A Compilation Of Tests 1 - 4)

Synopsis

For students taking the redesigned SAT in 2016. This book is a compilation of Ivy Global's four practice test booklets for the new SAT: New SAT Practice Test 1 New SAT Practice Test 2 New SAT Practice Test 3 New SAT Practice Test 4 It includes all four exams which can be used as diagnostic tests for personal study, as well as by organizations that run SAT courses and tutoring. Why Ivy Global tests? Rigor-Tested Questions: Unlike other test products, we perform actual testing with high school students to help calibrate our test's difficulty. High-quality Passages: Passages for reading and essay sections are adapted from articles in the New York Times, the Atlantic, and other high-quality publications. Most-like College Board: Our tests closely adhere to the College Board's test specifications and practice tests. Online Explanations: Thorough explanations of each question in our practice books. Other new SAT products by Ivy Global include: New SAT Guide, 1st Edition New PSAT 3 Practice TestsÂ Â

Customer Reviews

Book is pretty straight forward. Has four complete tests with one essay. Helps you score your tests and see what you would get. My complaint is it doesn't explain why answers are better than others. Good for diagnosing your performance, but besides getting more practice, feel like it won't help you learn much.

We selected Ivy Global as the best possible supplement to College Board's Official SAT Study

Guide. Our SAT prep curriculum is firmly rooted in ongoing practice with real tests, and Ivy Global is as close as you can get to real tests! My team of tutors and the hundreds of students we've already prepared for the redesigned SAT couldn't agree more! Thank you, Ivy Global.

I am the owner of a test prep company. When the format of the SAT changed in 2016, I began looking for new materials to use in my classrooms. I found the materials from Ivy Global to be very well researched. Ivy Global's 4 practice tests are very accurate reflections of actual SAT tests. The feedback from my students has been excellent. I highly recommend all of Ivy Global's materials for classroom instruction as well as individual practice.

It's okay ... I found the reading/writing sections to be good but the math section wasn't that great. The math questions are either too easy or overly difficult. I wish they would put the explanations.

The only SAT-compatible resource book
