Diary Wimpy has done it again. Yet another amazing book to add to the ever expanding series of Minecraft character diaries from this author. As for the content of the book Diary Wimpy throws in a nice twist that leads to a pretty epic story. My nephew loved this take on a very unique cave spider. You really feel like you are right there with Whisper (main character). More than enough entertainment to feel like we got our money's worth as always. We both can't wait to see another addition to the series.

I have hated spiders ever since a spider lowered itself onto my shirt, but this is really cool because I love to cook and most people hate spiders. But this is really cool because a cave spider was cooking and I really hate them, but this one was way better.-RainbowCreeper

Dear Steve Kim, your review looks like IT was written (yes, not "ritten") by a five-year-old. I quite liked this book, and I, with all due respect, think that YOUR review should be deleted.-I'mNotTellingYouaMyNameBeacuseYouMightTryToFindMe
