# Experiencing Theatre

## Synopsis

"Experiencing Theatre completely engages the beginning theatre student in the art of theatre. Students become playwrights, dramaturges, actors, directors, designers, adapters and collaborators through dynamic readings and exercises. This text gives them a great awareness of the work of being a theatre artist. Teachers have long strived towards creating these opportunities for their Intro students--finally a text that will make it happen." --Barbara Burgess-Lefebvre, Robert Morris University
