# International Trauma Life Support For Emergency Care Providers (8th Edition)

## Synopsis

For basic trauma life support courses For more than 30 years, International Trauma Life Support has been at the forefront of trauma education at all levels of emergency care worldwide. This complete reference is filled with practical, hands-on training that guides readers through the hows and whys behind all of the skills necessary for rapid assessment, resuscitation, stabilization, and transportation of the trauma patient. Updated with the latest approaches to the care of the trauma patient, this Eighth Edition conforms to the most recent AHA/ILCOR guidelines for artificial ventilation and CPR. This new edition continues ITLS's tradition of excellence to ensure learners get the most out of the few minutes they have to save their patients' lives.

## Customer Reviews

The book does not have that much different. I think an update manual to supplement the version 7 book would have been just as good and less expensive than this book.

It is a good book, easy to read with the key information.

Shipped on time as promised. Everything is good

Just what I thought it would be
