Inclusion Strategies That Work!: Research-Based Methods For The Classroom

Synopsis

The go-to book for including ALL learners in educational success!

Teaching students with diverse needs require educators to employ empathy, responsiveness, and patience. This book has long been the indispensable resource for K-12 teachers as they confidently form lesson plans and strategies for inclusion. In this new edition, Toby J. Karten's data-driven methods are updated with the latest research and policy developments. The book's content includes:

- Updated information on ADA, IDEA, writing IEPs, transitional services, classifications, RTI, metacognitive strategies, and links to the Common Core
- Tips for working with families and making them an integral part of the inclusive team
- An overview of special education legislative terminology
- Interactive online forms for planning, documentation, and collaboration
