# The Thinker's Thesaurus: Sophisticated Alternatives To Common Words (Expanded Third Edition)

## Synopsis

With over twenty percent more material, a must for any lover of distinctive words. This entertaining and informative reference features sophisticated and surprising alternatives to common words together with no-fail guides to usage. Avoiding traditional thesauruses'™ mundane synonym choices, Peter E. Meltzer puts each word •whether it's protreptic, apostrophize, iracund, or emulous• in context by using examples from a broad range of contemporary books, periodicals, and newspapers. His new introduction makes the case for why we should widen our vocabulary and use the one right word. This groundbreaking thesaurus remains a unique venture, one that enriches your writing while helping you find the perfect word.

## Book Information

Paperback: 720 pages

Publisher: W. W. Norton & Company; 3 edition (August 3, 2015)

Language: English

ISBN-10: 0393351254

ISBN-13: 978-0393351255

Product Dimensions: 7.1 x 1.9 x 9.3 inches

Shipping Weight: 2.4 pounds (View shipping rates and policies)

Average Customer Review: 3.9 out of 5 stars • See all reviews • (163 customer reviews)

## Customer Reviews

Back in the day, say 1852, Peter Mark Roget, finding no thesaurus on the shelf, decided to write one himself, grouping words by related ideas and earning for himself a place in lexicographical history. Subsequent thesauruses, rivals to Roget, dispensed with the grouping principle and simply listed words alphabetically. Not all of the synonyms were direct substitutes for the word synonymized. The assumption was (and is) that we readers know the nuances and simply need our mind jogged a bit. If we wanted a synonym for "steal" we might come across embezzle -- but we'd have to know that embezzling is a particular kind of stealing. (You can't embezzle a candy bar from the grocery store, but you can steal one. But you really shouldn't.) Most of the synonyms in these word books were also likely as common as the original word -- ho-hum! Frankly, if we are looking for a sparkling alternative to quotidian diction, the thesaurus is a dinosaur. Of course, we might well turn to the many books that alphabetize unusual or obsolete words, but we can't have archaic and

eat it, too, since how would we know that "natterjack" was just the word we wanted for a Western European toad that runs rather than hops? Enter Philadelphia attorney Peter E. Meltzer who, after a decade of sedulous work on his avocation, has published "The Thinker's Thesaurus: Sophisticated Alternatives to Common Words" (\$16.95 in paperback from Marion Street Press). Attempting to write the wrongs of thesauruses past (which he does in a marvelous 50-page introduction), Meltzer goes on to deliver the goods, thousands of ordinary words coupled with one or more less common synonyms. But he doesn't stop there.
