Modern Masonry: Brick, Block, Stone

Synopsis

Modern Masonry: Brick, Block, Stone provides a broad understanding of the properties and applications of masonry materials. Safe and proper procedures for working with brick, block, and stone are included, as is coverage of concrete form construction. New and revised features found in this edition include Green Notes, Code Notes, and step-by-step Procedures. Green Note features highlight information on sustainability, energy efficiency, and other environmental issues. Code Note features reference the International Residential Code and International Building Code to familiarize students with a clear explanation of recommended techniques for a variety of masonry jobs. Customer Reviews

This book is a classic example of the cliché "those that can't do, teach" (which by the way I don't usually agree with) . I doubt that Mr. Kicklighter has ever held a trowel in his hand. Lots of information, only some of it accurate.

Pleased. 100%
