Customer Reviews

The book is fine and relatively easy to find the info needed to complete the quizzes developed with the material in the text. However 75+ dollars is a little ridiculous for a book that you also have to buy a binder to put it in. If you have the option, rent this book for half the cost.

I bought this new. We can't find the access code. Help!

Exactly what I expected. Great price

Got me an A in the class.
