## **Customer Reviews**

OMG this book does everything right! The model is a real beauty and a natural at posing. The photos are not manipulated and I don't feel cheated by duplicate images. I wish more photo books were like this!

Three woman strip progressively all the way to full frontal nudity. Sexy clothing and many sexy poses. Over 250 hot sexy poses. Well worth the price

Well done - worth the money.

The first half of the book is disappointing. There are a couple of contact sheets and then a couple more photos with translucent boxes over the photos. Finally, there are a few photos of a MILF.

Not disappointed in the least. Excellent content well worth the download.
