## Customer Reviews

Xena Kai is a beautiful Asian model of Filipino ancestry, she does epitomise busty. Her tracts of land are quite sizeable, and the rest of her proportions quite pleasing. This was shown quite readily in the preview. A great looking model to my tastes.The picture book is kind of slow...a striptease, where if you flip fast enough you can see it in "realtime". She takes it off slowly, a piece of clothing at a time. Too slow to my tastes, and the book memory size seems to imply a lot more than what you get, but that's the nature of the book. Afterward, there's a "bonus" in the shape of the beginning of a striptease by another model (who doesn't show anything more than her stomach).The good? We get to see a good amount of the front of Ms. Kai's body, top to bottom, but not quite full frontal. If you like a tease, this is the picture book for you, too.The bad? Not enough is seen of her, and the

positions are rather limited. A nice view from behind would be much appreciated. Overall...eh, it's \$2.99. Not quite worth it, in my opinion, but I don't feel "cheated"

Xena Kai is a Sexy Asian Model.
