Anglo-Saxon Rune Lore: A Brief Guide To The Anglo-Saxon Runes

Synopsis

Much has been written about the runes of the Elder Futhark but there seems to be very little on the lore of the Anglo-Saxon runes despite their huge contribution to what we know about all other rune sets. This book has been written to help bring awareness of the heritage and lore of the Anglo-Saxon runes and discuss their use in modern divination and Pagan practice. It is the author's hope that this book inspires a love of the runes and that it helps cultivate a resurgence of interest and practice of the ancient skill of rune magic and help rekindle interest in the Anglo-Saxon culture.
