# The 2016 Baby Names Almanac

## Synopsis

The Hottest Baby Name Trends, Lists, and ForecastsAn instant snapshot of how the world today is shaping the name you may choose for your child tomorrow, The 2016 Baby Names Almanac is jam-packed with information and trends, plus thousands of names to browse. Here's a sneak peak at the ideas, forecasts, predictions, and suggestions you'll find:  
• Why some names are more popular than you think (Madelyn, Tristan)  
• The cutting edge names on the rise (Daleyza, Jayceon)  
• The superhot names cooling fast (Bridget, Orlando)  
• The crossover pop culture names that will be moving to the cribs of tomorrow (Elsa, Tobias)  
• Just how many Sophias and Noahs are out there  
• A look at whether popular unisex names like Sidney or Justice are used more for boys or girls  
• The hottest names in your state  
• The literary inspiration that's bumping up certain names, and the surname that is skyrocketing for girls

Shipping Weight: 10.4 ounces (View shipping rates and policies)

Average Customer Review: 3.9 out of 5 stars See all reviews (9 customer reviews)

Best Sellers Rank: #92,418 in Books (See Top 100 in Books) #29 in Books > Reference > Catalogs & Directories #4908 in Books > Parenting & Relationships

## Customer Reviews

Pros: It gives you kind of a history of a few names, old names that are coming back into style, doesn't give you "baby name overload" because it's all pretty narrowed down, etc  
Cons: Not enough names  
We are currently expecting our 2nd baby and are not finding out the sex so we need to find names for both a boy and a girl just in case. I bought this name almanac because it's crunch time and although it's nice to not have to read a million and one names in each alphabet category, I felt there wasn't enough.

I was very disappointed with this book. First of all, despite its title it was last updated in early 2015,

so it didn't even have any 2015 name charts. The list of boy names in the book is ridiculous. There also include about 40 to 50 German names. I am German and can assure that no more then 10 of these suggested names are actually first names. Of those ten, 50% have not been used since medievel times. A lot of names I would have expected were not in there. So if you are looking for an extremely rare name, this is your book. Otherwise, save your time and money.

The first 70 pages are filled with facts and history about names and celebrity names. Disappointed in the variety and number of the actual names provided. Kind of focused on trendy and current names, not a well-rounded selection. However, I liked that the origins and meanings are provided.

I bought this for my cousin who was having a baby and struggling with a name. So many cute and unique names. We spent hours going through this book and making lists! Super helpful and fun to read! Mommy will love it!

I like the selection of names in this book. There are a lot, but not an overwhelming amount like some other name books. Now if only we could decide on a name for our baby!
