Washington D.C. (National Geographic Destination City Map)

Synopsis

Designed to meet the needs of both business and leisure travelers, our Destination City Travel maps are easy to read, printed on a lightweight yet durable material, updated regularly, and a great value. In addition to the detailed street map, our Washington D.C. Destination Map also contains a regional overview, Metro public transportation map, diagrams for Dulles and Ronald Reagan National airports, an inset map of Alexandria, Virginia, and a multi-language legend. Attractions, hotels, theaters, places of worship, government offices, transportation hubs, and more are clearly marked making this a trusted guide for touring the city safely and efficiently. A detailed index of streets and points-of-interest enables you to quickly locate their location on the map. Map Scale = 1:11,300 Sheet Size = 24.75" x 17.75" Folded Size = 4" x 8.75"

Customer Reviews

Looking for a good touring map of Washington, D.C.? This National Geographic destination map might be it. The map is waterproof and durable enough to survive the average mishap with a soda or cup of coffee. One side shows downtown D.C. from Capitol Hill to Arlington National Cemetery in enough detail for a walking tour. The other side has a street index and inset maps of Old Town Alexandria, and Reagan Washington National Airport, Dulles International Airport. There is a diagram of the D.C. Metro system. There is also an inset map of the Washington Beltway as far out as I-495. Some touring tips are included on this side. All in all, a decent map for the visitor, although you might advertise yourself by unfolding it for navigation. Recommended.

This is a very durable waterproof map which is very easy to read, making navigation around this busy city much easier for abustle tourist determined to see it all.

This map was awesome!! I used it during every outing.

Very handy for one or one-hundred trips to DC.

Detailed and up-to-date map. Simple to read.

I thought that national geographic would be a good map. It isn't. This is for tourists. I am an experienced roadtripper and map extraordinaire.... If you want hotspots and an easy to read, fun glossy thing for your purse...this is it. But, it lacked the details I wanted and was not familiar in icons and symbols....

nice product

Great Map!!!
