Shadowrun Battle Of Manhattan BB3

Synopsis

Requires Shadowrun, Twentieth Anniversary Edition; offers the character statistics, setting information, and plot points needed for gamemasters to take players on the third in a series of adventures that develops one of the classic Shadowrun themes—corporate machinations and double-crosses. This adventure presents both danger and opportunity to the player characters as corporate intrigue spills into open fighting in the streets of Manhattan. • Brings runners to Manhattan and involves them in ever-increasing corporate tensions that threaten to erupt into violence. • Puts the runners in situations that will test the limits of their abilities, including a daring mid-air extraction. • Ratchets up the tension of the first two adventures in the series and tests the runners'™ ability to succeed in a hostile setting. • Builds on plotlines, characters, and situations covered in previous books such as Corporate Guide and the Missions living campaign while developing plotlines that will be expanded on in future books. • Can be played alone or as the start of the Boardroom Backstabs series, which will have ramifications in the ongoing Shadowrun plotline. • Provides complete non-player character statistics, player handouts, and all other information needed to let players dive into the adventure immediately.

Book Information

Paperback: 56 pages

Publisher: Catalyst Game Labs (April 29, 2015)

Language: English

ISBN-10: 1936876183

ISBN-13: 978-1936876181

Product Dimensions: 8.5 x 1.8 x 11 inches

Shipping Weight: 2.4 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars•• See all reviews• (1 customer review)
